Rules & Regulations

The Dog Lodge is here to provide a safe, fun and stimulating environment for your dog(s) during daycare and lodging. To ensure the safety and health of your pet and our other guests, we require guests comply with the following Rules and Regulations.

Vaccinations

Owners must submit written proof that their dog(s) is current on the following vaccinations and submit updated records as necessary.

DHPP

(or similar combination including Distemper)

RABIES

BORDATELLA

(every 6 months)

K9 Influenza is not required, but strongly recommended.

Canine Cough (Kennel Cough)

Owners are ultimately responsible for making sure their dog(s) is vaccinated for Canine Cough (Bordatella) every six months. Current vaccination is the best way to prevent the viral infection, however, there is always a chance of contracting Canine Cough as new strains appear.

Health

All dogs must be in good health. Owners need to verify that their dog(s) is in good health and has not been ill with a communicable condition within the last thirty (30) days. On admission, all dogs must be free from any condition that could potentially jeopardize other guests. All dogs will require a Veterinarian Certification of Health to be admitted or re-admitted after any illness.

Behavior

All dogs must be non-aggressive and not food or toy protective. Owners will need to certify that their dog(s) has not harmed or shown aggressive or threatening behavior toward any person or any other dog(s). Please remember that your pet will be spending time with other pets and that his/her safety and health is our main concern.

Cancellations

Please give 24-hour notice so that we may accommodate other guests.
